Hey Lori,

This is the draft that I sent out last night. We are still editing it today and tomorrow and we will send a more final draft for team review on Thursday. Sorry I left you off the email, I was pretty tired when I finally sent it!

Subject: Draft Portland Harbor Proposed Plan

Here is the current draft of the Proposed Plan and a streamlined version of FS Table 4.3-1 that we plan to use for the PP.

- The first 32 pages of the PP have been extensively reviewed. Silvina and I will work with Kristine and Elizabeth to do the final review/editing of those pages tomorrow.
- The rest of the document (Summary of Remedial Alternatives, Evaluation of Alternatives, Preferred Alternative, Rationale for Preferred Alternative) has been updated based on Sections 3 and 4 of the FS, but it is still draft. The draft attached is not ready for full review, but is just to show you where the draft is headed. We will send a more final draft for the full team review on Thursday this week.

Please let me know if you have any questions.

Thanks,

Annie
